ABOUT THE INSTITUTION

The 16 year old engineering college has being ranked in the top position twice among the various affiliated institutions in Tamil Nadu under Anna University.

The college conducts National and International conferences regularly on the latest trends in academics and industry. A Research centre has been established in the campus, recruiting eminent Scientists and Engineers to lead the Institution in the research line.

OUR DEPARTMENT:
The Electrical and Electronics Engineering Department of MSEC commenced in the year 2003. The department lays emphasis on equipping its students with conceptual knowledge and comprehensive technical training to meet the requirements of the industries. The college gives importance for practical training in latest developments & effective student participation in many activities. The events are planned & organized in a manner to improve the overall personality of the students in various fronts.

SCOPE OF THE CONFERENCE

The Objective of this National Conference is to provide a platform for Researchers, Academicians, and Students to share their knowledge and expertise for their mutual and social benefits. The focus of the conference will be on all facets of current Technological Innovations and related issues in Electrical and Electronics Engineering.
