Adi Shankara Institute of Engineering and Technology
Kalady, Kerala - 683574

National Conference on Emerging Research Trends in Electrical Engineering (ERTEE'19)
3rd MAY 2019

Organized by,
Department of Electrical and Electronics Engineering
Adi Shankara Institute of Engineering and Technology, Vidyamandir Nagar, Mattoor, Kalady, Ernakulam District, Kerala State, Pin: 683574

All selected papers will be published in GRD Journal

http://www.grdjournals.com
ABOUT CONFERENCE:

The National Conference on EMERGING RESEARCH TREND IN ELECTRICAL ENGINEERING (ERTEE2019) is to provide an national forum for industry professionals and researchers to deliberate and state their research findings, discuss the latest advancements and explore the future directions in the emerging areas of Engineering and Technology.

This event will take place in ADI SHANKARA INSTITUTE OF ENGINEERING AND TECHNOLOGY, Kalady on **3 MAY 2019**. The conference also bring together both novice and experienced scientists and developers, to meet new colleagues, collect new ideas and establish new cooperation between research groups and provide a platform for researchers from academic and industry to present their original work and exchange ideas, information, techniques and applications in the field of Electrical and Electronics Technology.

Papers are encouraged on all topics listed in the Topics page, to enable interdisciplinary discussions of new ideas, the latest research development, and the latest advances in the field of electrical, electronic and computer engineering. All the selected papers will be published in GRD Journal conference proceedings.

CALL FOR CONTRIBUTORS:

The **ERTEE 2019** is the best forum for the research scholars, B.Tech students, M.Tech students and faculty Members to present their final year project abstract, novel ideas and technological advances and research results in the fields of Electrical and Electronics Engineering field. **ERTEE 2019** will bring together leading engineers and scientists in Electrical & Electronics Engineering in and around the nation.

CONFERENCE PROCEEDINGS:

All submitted conference papers will be blind peer reviewed by three competent reviewers. The peer-reviewed conference proceedings are indexed in the leading index databases. The conference abstracts book, CD and certificate of presentation will be distributed to participants at the conference registration desk.

ABOUT DEPARTMENT:

The Department of Electrical and Electronics Engineering was brought in the Adi Shankara campus during the academic year 2001. This department adopts ISO 9001:2008 quality procedures and standards to improve the overall quality of the education process. The department offers an Under Graduate programme in Electrical and Electronics Engineering, and Post Graduate programme in Power Electronics and Power Systems.

The department has highly qualified, dedicated and efficient teaching staff and committed administrative staff in all disciplines. Laboratories such as Electronic System Design Lab, Power Electronics Lab, Power System Simulation Lab, Control System Lab, Electrical Machine Lab, Measurement and Instrumentation Lab and Research and Development Lab are well equipped and designed in such a way as to provide an industrial environment to the students. The department has a design and fabrication division which produces various equipments and instruments for Laboratories, and offers project management acts as a technical consultant for Industries and Institutions.

How to reach us:-

- 6.8 Km from Angamali Railway Station (Via NH544)
- 5 Km from Cochin International Airport Limited (Via Kariyad mattoor road)

Nearest Tourist spots available:-

1. Shri Shankara Jamma Bhumi temple, Kalady (1.9 km from ASIET)
2. Muthala Kadavu (2.5 km from ASIET)
3. Madassy Mana (6.7 km from ASIET)
4. Bharanikuzhi Inside Forest (12.9 km from ASIET)
5. Malayattoor Kurisumady Church (15.3 km from ASIET)
6. Abhayaranyam (15.1 km from ASIET)
7. Athisappilil waterfalls (30 km from ASIET)
